

I am an Indiana resident responsing to the docket listed above concerning the Indiana No Call registry. I have the RIGHT to PRIVACY from telemarketers in my home!!! They can try to get a hold of me via mailings and commercials on the radio and TV, giving me direct control over access. They do not have a right to call during the time I chose to spend with my family and interrupt. They are frequently rude and refuse to get off the phone or quit calling. Please uphold my rights to privacy!
